

Thinking About Going to Graduate School?

Through our partnership with UnidosUS, the Dreamers Graduate Loan Program is offering FREE virtual financial coaching to students with DACA or TPS immigration status who are interested in applying for a loan and who are enrolled in or currently applying to graduate school.

Financial coaching can help you plan for graduate school by assisting you in thinking about the return on investment of a graduate degree and the various financing options for graduate studies (i.e. savings, scholarships, loans, etc.). Schedule your financial coaching session today!

FREE virtual financial coaching is available through UnidosUS to assist students with financial planning for graduate school.

- ✓ Coaching takes place via phone, email, and text message.
- ✓ Our coaches speak English and Spanish.
- ✓ We have a diverse and experienced team of coaches across the country who are prepared to assist you as you financially prepare to attend graduate school.

UnidosUS helps students reach their financial goals and achieve outcomes in a variety of areas:

- ✓ Planning for the cost of graduate school
- ✓ Navigating student loans
- ✓ Debt management and repayment
- ✓ Spending and savings planning
- ✓ Building credit
- ✓ And much more!
