

Dreamers Graduate Loan Program

Celebrating Three Years of Impact

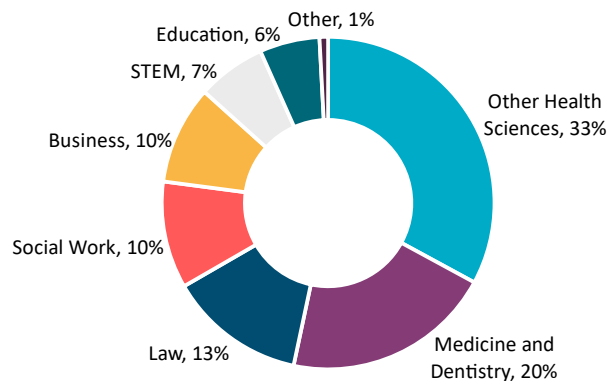

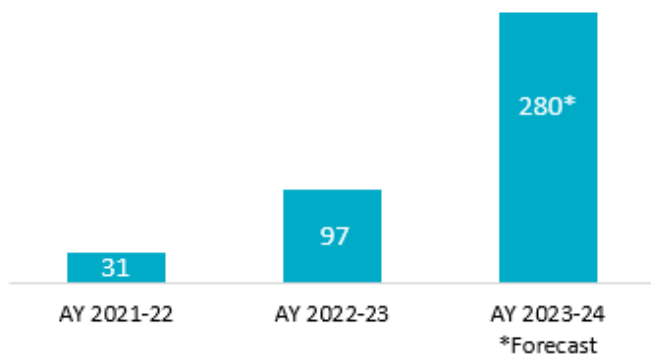

The Dreamers Graduate Loan Program supports Dreamers with DACA or TPS status who want to pursue professional degrees but cannot access public loan programs due to their immigration status. The program provides loans to Dreamers with the same Annual Percentage Rate available to U.S. citizens via the federal government’s Direct PLUS loan program. There are **no fees** to take out a loan, **no cosigner or minimum credit score requirement**, and **no prepayment penalty**.

Since the launch of the loan program in 2021 through April 2024, **222 students** have taken **277 loans**, representing nearly **\$9 million**. **29 students** have graduated and entered repayment, and **3 students** have repaid their loans in full.
